One day, Miku's ability to sense the supernatural awoke and she was attacked by spirits. The person who protects Miku from these spirits is Kyou, the son and heir of the shrine. Miku becomes captivated with Kyou who says that he will protect her with his life.
The three of them, Miku, Kyou, and Hijiri, a teacher and good friend of Miku's dead brother Seiji, start to investigate the reason why Miku is being attacked by spirits. But Kyou is cursed by a vengeful Shirabyoushi ghost, named Biyuu. Kyou and Miku know that their history with Biyuu goes back to their past lives. The two of them loved each other in their past lives as Kyouha and Miou. However, Kyouha was killed by a curse cast by Biyuu. In order to break the curse on Kyou, they follow Miku's memory of her past life. But Miku is disturbed after seeing herself tremble from Biyuu's hatred and unintentionally confesses her feelings to Kyou by saying, "I don't want the one I love to see the ugly side of me, I don't want to be hated."
